Evo 250 and 300's for Rent!

American Beta is offering 2012 Evo 250 or 300 2 strokes for rent at this year's NATC National Trial Series. With the cost and time of traveling, it makes more sense to rent than haul. The rental rate is \$500.00 for the entire weekend including Friday for practice! Rental prices include the bike from Friday-Sunday as well as a pre-printed front number plate, gas, snacks, water, and complete pit service provided by Ron Lee of RL Racing and Tim Pilg from Beta. Just show up with your gear and ride, we take care of the rest! Reservations will be on a first-come, first-served basis. Customers will pay their Beta dealer to reserve a bike. Items not included are parts related to crash damage.

We are limited to the number of bikes we can haul so sign up today to reserve your new Evo today!

Name: _____ Phone Number: _____

Dealer Name: _____ Bike Requested: Evo 250 Evo 300

Circle each event you would like to reserve your new Beta for.
